## Career Talks

Career Center organizes Career talks on Wednesday afternoons where we bring together company representatives and students to discuss about available job/internship opportunities. This August 2017 semester, 9 Career talks were organized which was attended by more than 230 students. The companies who gave the talks were VSO International, Advising Asia, N-Line Agro, Eaton Electric, Think Blue Data, Codium, Sahamitr, Action Aid. A Career Planning Talk by Vice President for Development, Mr. Surendra Shrestha was also organized for the students.

### Internship Success Story

I'd like to thank AIT Career Center for helping me grab this opportunity at this very reputed and longstanding organization – Betagro Group. The Career Center communicated this vacancy through email, which made it easier for me to apply. With an international experience at AIT and help from Thai friends, I am finding it smooth to settle here at Betagro.

## Field Trips

AIT Career Center conducted a Career Center survey during last Career Fair on 2 November 2016. From the survey, we got to know the interest of the companies to welcome a team of students for a field trip. This August 2017 semester, two field trips were successfully organized for students, with the support of SU External Committee, as follows:

### 1. Amata Corporation PCL, Chonburi

A field trip to Amata Corp. PCL was organised and 16 students participated. Students visited waste water management plant in Amata Industrial Estate.

### 2.. Double A (1991) PCL, Prachinburi

Twenty-five students participated in this field trip and had a learning experience. The highlight of the trip was a 7D short movie presented by Double A PCL. Students enjoyed the over all experience.
