

AIT Career Fair

The AIT Career Center conducted the Career Fair on 29 March 2017. Thirty One (31) companies participated in the event and it was well attended by 460 students and over 150 staff members and visitors. Career Center will be coordinating with the companies for further recruitment process and available internships.

Highlights from 2016 Career Fairs:

Job placements

- ⇒ Pylon PCL hired 4 recent graduates
- ⇒ TEAM Consulting hired 1 student
- ⇒ Black & Veatch hired 2 recent graduates
- ⇒ DHL Supply Chain (Thailand) hired 4 graduates from Transportation Engineering
- ⇒ ThaiReinsurance hired 1 SOM graduate

Internships offered

- ⇒ BIOSCI hired 2 student interns
- ⇒ Chia Tai hired 4 student interns

Career Talks

Career Center organizes Career talks usually on Wednesday afternoons where we bring together the Company representatives and students to discuss about available job/internship opportunities. This Jan 2017 semester, 10 Career talks have been organized which was attended by more than 400 students. The companies who gave the talks were ACommerce, International Institute of Education, Micromatics, CB Bank, Adecco, Chip Mong Insee, Schneider Electric and TIPCO Foods. Also, Mindfulness session and a talk by Vice President for Development, Mr. Surendra Shetha was organized for the students.

Field Trips

AIT Career Center conducted a Career Center survey during the last Career Fair on 2 November 2016.

From the survey, we got to know the interest of some companies to welcome a team of students for a field trip. This Jan 2017 semester, we successfully organized two field trips for students, with the support of SU External team.

1. **TIPCO Foods and Beverages, Wang Noi, Ayutthaya**—The trip was organized on 26 January 2017 and over 35 students participated .

2. **Mitr Phol Sugar Corporation Ltd. , Suphanburi**— The trip was organized on 31 March 2017 and 12 students participated.

These trips proved to be a learning experience for students and allowed them to gain perspective of relating theory with actual work on the ground.

Company Visits

This semester, AIT Career Center organized company visits to the following companies :

1. Prospect International Limited.

Internship Success Stories

1. **Ms. Lin Lai Lai Khine (IM Master student, Myanmar)**- “I got an internship from Prospect International Limited. I applied to Prospect International Limited at AIT Career Fair on March 29, 2017. A month later, they invited me for an interview, then I was selected for the second interview and finally got the opportunity with the position of Business Development Officer (BDO). I am currently maintaining the organization's database, working on Space Management web system and pitching business plans to investors. This opportunity fits my qualifications and enhance my personal skills to achieve future career goals. I send my gratitude to AIT Career Center.”
2. **Ms. Reshma Dangol (IM Master student, Nepal)** - “I am currently pursuing my masters degree in Information Management. During the 3 months long semester break, I wanted to do something productive. Since I had been eager to experience the work-life of Thailand, an internship seemed

The Career Fair organised by Career Center gave me the opportunity to meet representatives from various companies. Just few weeks after the event, I was offered an internship at Think Blue Data, a software solutions company. Many thanks to AIT Career Center.”

Job Placement Success Story

Mr. Mishkat Ullah

Production Engineer, Micromatics Co. Ltd.

I attended a Career Talk by Micromatics Co. Ltd. organized by AIT Career Center. During the Career Fair I had a pleasant chat with the company to understand my background. Later on, I got a call for the second round of interview which was a panel interview and I was selected as a Production Engineer. It was so nice to be placed even before graduation and all this because of the motivation from my parents and desire to reach success in the life. The experience I got from AIT helped me to adapt to the working environment of another multicultural organization easily. So far it was challenging journey yet a lot to learn.”
